ANATOMY OF THE CANINE / BULLMASTIFF

The evaluation of the Bullmastiff and its Breed Standard will be featured in following News Letters. These diagrams will help orientate the reader with regard to the terminology and anatomy points.

CHARACTER AND BREED ASSESSMENT FOR THE BULLMASTIFF (CBA)

Featured here are some of the Bullmastiffs that hold the coveted CBA (BA) title

The FEDCO of KUSA has finally given the CBC a mandate to perform the Character & Breed Assessment under its own licence (previously done under the auspices of the WP Boerboel Club) FEDCO P7.1 effective 2/4/15 Schedule 5F Regulation 9.1.11.

Dual qualification – that is a Breed Champion and a KUSA Discipline CBA (BA) - is held by only four Bullmastiffs in Southern Africa with the first Bullmastiff to receive this title being MBISS Ch Chizelhurst Chenjela.

He was closely followed by Ch LaGratitude Grand Slam and Ch LaGratitude Poppy's Scarlet and our present WC top dog MBISS Ch LaGratitude Durango Duke.

The CBC pays tribute to these dogs and hopes that many will follow in their paw prints. 🐾

One of the objectives of the CBC is to encourage all owners to enter their dogs and get them certified with a CBA (BA). The CBC will be presenting a CBA over the week end of 12 & 13 September – book your place NOW.
